

OUR POWERHOUSE

PRESSROOM

Heidelberg Printmaster QM-46 2C Offset Press
(13" X 18" max. sheet size)

Kodak DI 4C
Digital direct to press waterless offset
(12" X 18" max. sheet size)

Heidelberg SM-52P+L / 6C Offset Press with In-line Aqueous Coater
(14" X 20" max. sheet size)

Heidelberg SM-102P+L 6C Perfector Offset Press (4/2)
with In-line Aqueous Coater
(28" X 40" max. sheet size)

Heidelberg SM-102P 10C Perfector Offset Press (5/5)
(28" X 40" max. sheet size)

Heidelberg XL-105 6+L 6C Offset Press with In-line Aqueous Coater
(29" X 41" max. sheet size)

THERMOGRAPHY

2/Sunraise HP 15 Thermographers
American Ultraviolet IR1001 UV Curing

PREPRESS

Apple Xserve G5 dual processor 2.3ghz with 5tb RAID
Multiple MAC (G5 & Intel) and PC Workstations

Eye-One Pro Color Spectrophotometer
X-Rite DTP70 with ProfileMaker
X-Rite 530 Press Spectrophotometer

ESKO Automation Engine/Nexus PDF RIP Workflow

Hewlett Packard B&W LaserJet 5100N

4/Epson StylusPRO 9800 with UltraChrome inks and GMG Color Proof

1-HP SpinJet Double Sided Content Proofers

Fuji Javelin Platesetter with Auto-Loader

Full file/media support via FTP or any transfer media

ON DEMAND

Canon C7010VP digital press
Konica-Minolta bizhubPRO CG501 digital press
Full variable data on-demand digital printing

WIDE-FORMAT COLOR

Sizes up to 60" wide at 1800dpi
Film lamination, mounting, framing & custom POP Displays
HP DesignJet 5500 6C 60" plotter
HP DesignJet Z6100ps 8C 60" plotter
Epson StylusPRO GS6000 - 60" solvent based plotter

BINDERY

FMA UV Coater with Baum feeder
Polar 36" Programmable Cutter
2/Polar 137 Programmable Cutters
Gibson Rotary Cutter
Multiple computerized Stahl folders with gate folding capability
Stahl ST-90 6 pocket plus cover feeder stitcher
DigiBinder 860 Perfect Binder
Heidelberg Cylinder Letterpress 32-1/4"
GBC and Wire-O Binding Systems
Challenge Padding Machine
Bostitch Stapling Machine
Challenge Hydraulic Drilling Press - 1 to 6 holes
ATS-800 Automated Wafer Sealers
Shanklin Automated Shrink Wrapping Systems

MAILING

On-line variable project management solutions
Data cleansing, pre-sorting and NCOA certification
Advanced data processing, GeoMapping
Response tracking

FACILITY

State of the art 45,000sf manufacturing facility
Dock accessible ground level
